JAILBREAK™

The one big break you've been waiting for!

the newest hit **kit** from **Konami®**

It's the break that's capturing a huge share of coin-op profits from location to location! JAILBREAK is "cops & robbers" at its most exciting! It's a full-alert escape from prison into the streets of the city, through parks, across bridges and finally back into the prison again. Armed with a pistol, bazooka and tear gas, the player finds himself up against desperate prisoners hurling molotov cocktails, firing at point-blank range, throwing themselves upon him in fierce hand-to-hand combat, sniping from windows and rooftops, even attacking from speeding trucks. He must defend himself while trying to save innocent bystanders taken hostage by the mob. His ultimate mission is the rescue of the prison warden himself! It all adds up to the kind of action that holds player after player captive!

Break into the big time with JAILBREAK!
